The Greater Southwest Radio Control Club is a nonprofit organization. Membership is nondiscriminatory and open to anyone who agrees to abide by Club rules. A condition of membership for insurance purposes is current affiliation with the Academy of Model Aeronautics (AMA). Our flying field is located on the North side of Randol Mill Road, 0.4 miles East of Highway 820 at N 32°46.895' W 97° 12.361'. Visitors are welcome whenever the gate is unlocked. Free flight training instruction is available to members from 6:00 PM to dusk on Tuesday and Thursday while Daylight Savings Time is in effect. Regular Club meetings are held on the second Tuesday of each month at 7:00 PM at the North Richland Hills Parks and Recreation Building, 6720 Northeast Loop 820, North Richland Hills, TX 76180 (on the corner of Rufe Snow and NE820).

President's Corner

First, I would like to thank the membership for reelecting me for a third year. I will do my best to represent all members with the AMA, other clubs, community, and government officials. Remember, I cannot work on a problem if I don't know about it, you folks keep me posted.

Thanks to Jerry Stagner and Bob Leone for co-Vice Presidents, this office could really use more people, so be sure and thank and help them this year with projects. Thanks to Craig Bevil for being Secretary again this year this job take a lot of time because it has A LOT OF PAPERWORK, be sure and thank him when you see him. Thanks to Frank Mobley for being Treasurer, he does so much above and beyond the required things in this job so thank him when you see him. Thanks to Roy Baker for his excellent work with our newsletter, I have received many compliments for the great newsletter so thank him when you see him. Thanks to Sonny Coleman for the great job with the club's web site so thank him when you see him. Thanks to Ed Morin for being Safety Officer, this is one of those jobs no one notices until something happens, so thank him when you see him. Thanks to Robert McGee as Field Marshal he has really stepped up and headed off a lot of possibly problems before they became big ones, so thank him when you see him. A big thanks to all those members who I have not mentioned that makes this one of the best clubs in the country.

We will be having a club auction July 9th this will be the same night of the schedule meeting. It will be at The

North Richland Hills Parks and Recreation Building, 6720 Northeast Loop 820 (location of our meetings in the winter months) up stairs in the large room. So, bring lots of stuff and CASH. It has been a long time since the club has had one of these and they are usually a lot of fun! If you can help be at the auction at 6:30.

Be sure and come out to the Warbird Fly-in July 20th, if you can help contact Max Ficken or any officer.

We will need a lot of help for the August Combat meet. It looks like this one is going to be a big event with flyers coming from all over the country. If you can help or wish to have instruction on being a judge contact: Jerry Kara, Bob Leone, any officer, myself, or be at the field the first Saturday of July and August for a meeting. If you do not fly in this one, it is one to see. It looks like some of the top rank flyers from around the county are going to be here. These top rank flyers abilities are unbelievable, many have come from competition pattern and they say nothing has given them this much excitement. To see these guys combat 5-10 feet off the deck is a sight to see, so it's a real show, bring friends and family, have lunch, the concessions will be open with lot of good eats and drinks.

Remember, this is your club, contact any officer if you need anything or just let us know if you are happy with things.

The meeting at the Recreation Building this month will be very short, if any, because of the auction.

June Secretary's Notes

The meeting was called to order by George Clark.

There were 19 members in attendance. There were two new members present, **Ted Cummins** and **John Hall**.

Thanks to **Brian Wilson** for the Six Flags tickets that he donated to the club for a future raffle. Thanks also to **Tom Morrison** for the plane and equipment that he donated.

Because the meeting was cancelled last month due to lack of attendance, there were no minutes to approve.

Frank Mobley gave the treasurer's report.

Jerry Stagner and Lewie Moore gave the field report. The field is starting to green up now that it has been fertilized and the weather is starting to warm up. The field is being watered regularly and if you can volunteer to help set the water up in the evening or put the hoses up in the morning, please let one of them know. Also, anytime you are at the field, feel free to set up a sprinkler in the infield somewhere. The infield would fill in much faster if everyone would help to keep it watered. We will be building a box to keep the reel mower in. The box will be set at the south end of the runway and will allow the mower to be kept assembled but still locked and out of the weather.

This month was officer election time and since there was no meeting last month, the nominations and elections had to be held on the same night. The nominations were:

President: George Clark

Co Vice Presidents: Jerry Stagner and Bob Leone

Secretary: Craig Bevil

Treasurer: Frank Mobley

Newsletter Editor: Roy Baker

Two special motions were made regarding the elections this year. The first motion made was to elect two vice presidents in order to break up the work that has to be done in this position (in the last two years we have lost our VP in the middle of the term. This way we have a "spare"). This motion was seconded and passed. The second motion made was to elect the officers as nomi-

nated without doing the elections position by position. This motion was also seconded and passed.

The Warbird Fly-in that will be held on July 20th was discussed and plans were finalized. This is not a sanctioned event and there will be no concessions. As always, however, helpers are always needed and appreciated.

The Combat meet that will be held on August 17th and 18th was also discussed. This will be a very large event for our field and our club. We will need more helpers than just about any other event we've had so far. We will need judges, spotters, concession help, parking help, ribbon rollers, etc, etc. If you can help in any way, please let us know or simply show up. If you aren't familiar with combat, come out and see. It's always a lot of fun.

The vote was held to approve the final bylaw revisions for print in the newsletter so that a final vote can be held next month. This is the final step so that we can send the bylaws to AMA for their approval.

The auction that will be held in place of next months meeting was discussed. See the note at the end of these minutes.

A motion was made and passed to start having a raffle at every meeting, beginning with the August meeting.

Ricky McElroy won the raffle for the gallon of fuel donated by Airport Pawn and Hobby.

Duke Kimbrough won Model of the Month.

The meeting was adjourned by George Clark.

Special Note: There will not be a regular meeting this month (July). In its place we will be having an auction. If you have something modeling related that you would like to sell or if you are looking to buy, come on out. The auction will be held at the NRH Rec. Center. It will start at 7pm and end at 10pm. Purchases will be cash only with checks accepted at seller discretion.

We would like to congratulate **Dave Wilsie** for his first solo flight (sorry Dave, but I'm not sure of the date).

We would also like to congratulate **Lyle Watkins** for his first solo flight, I was told he soloed on June 23rd. Finally we would like to congratulate **Matt Johnson** for his first solo flight, I was told he soloed on June 25th.

As always, if there is anything you need, please feel free to contact me, or any of the club officers.
